I willingly volunteer to care for kittens/cats for Community Concern for Cats (CC4C).

I understand that this cat(s) is temporarily in my care and belongs to the CC4C member/sponsor named below.

I understand that the purpose of this foster relationship is to provide socialization and loving care for this cat(s) and that I will be responsible for providing food and litter.

I understand that this cat(s) must be kept indoors at all times.

I understand that if the cat(s) becomes ill, I will notify my sponsor immediately. CC4C and my sponsor will not be responsible for unauthorized veterinary bills.

I understand that rescued cats can be unpredictable. I understand that cats in my care may bite, scratch, or otherwise injure people or property. I understand and assume full responsibility for any injury which is incurred by any cat that I am responsible for. I specifically indemnify CC4C, its board and any other member from liability resulting from any cat I am responsible for.

I agree that CC4C is not liable to me and/or my children for any injuries, damages, losses, and/or medical expenses incurred by me, any family member, or any visitor to my home in connection with my fostering cats for CC4C.

I understand that I may not acquire any additional kittens/cats for fostering without the prior authorization of my sponsor. CC4C will not be responsible for medical expenses for any unauthorized kittens/cats.

I understand that I have the right to surrender this cat(s) back to my sponsor if circumstances develop where I am unable to give the needed care.

I understand that when the cat(s) is ready for adoption, I will transport it to an adoption site designated by my sponsor. I also understand that all adoptions will be made through CC4C using the appropriate adoption procedures.

I understand that if I decide to adopt this cat(s), I will pay the current adoption fee.
